Entry methods:

- ◆ Complete a survey at the library or on Facebook.
- ◆ Post a review on Facebook, complete with ratings & reasons.
- ◆ Take a picture of yourself at the library with whatever makes the library special to you. Fun or serious, we'll take them all! Have a favorite book? What about a favorite staff member? Your only limit is your imagination! When you've got your perfect shot, either post it to Facebook with your reason for why it's important to you and make sure to tag @OneontaPublicLibrary, or email it with comments to oplprograms@otelco.net.

\*For further details & conditions, inquire at the library.
