

CREATE A BOOKMARK LIST

You can create a list of items the library owns that you may want to check out in the future using "Bookmarks".

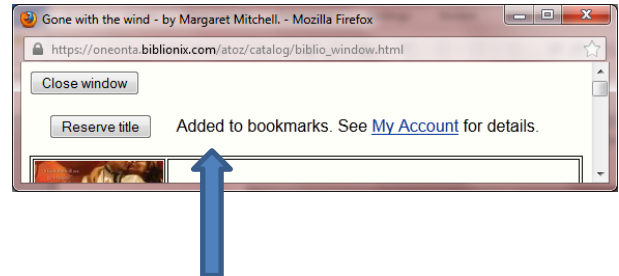

1. Open the OPL online catalog catalog (<https://Oneonta.biblionix.com/atoz/catalog/>) and **log in** using your library card number and primary telephone number (include area code).

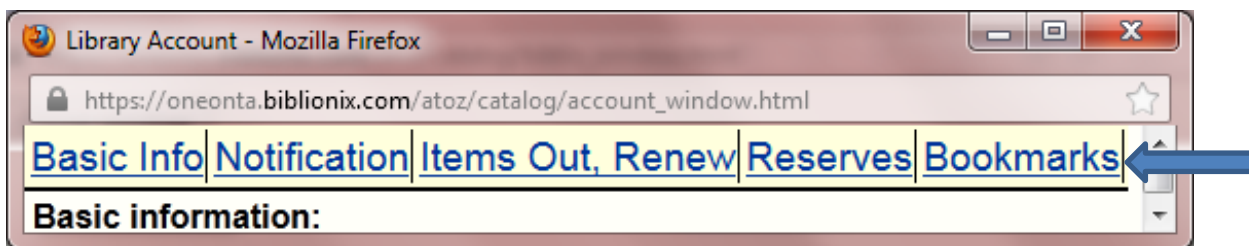

2. Search the catalog for the item you want and click the title to open the details for that item.

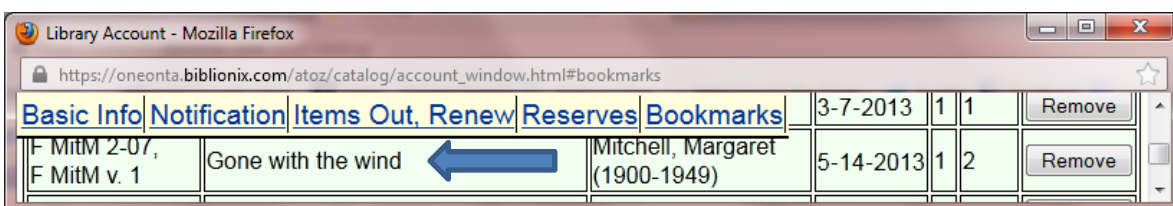

Click the **"Bookmark title"** button. A window will appear that shows you have bookmarked the item.

When you are ready to check the book out, go to the online catalog, log in and click on **"My Account"**. Click on **"Bookmarks"** to review the list of books you have placed bookmarks on.

Click on the title in your bookmarks list (if it is green - pink means the item is currently checked out).

This will open the details window of the book. Click on **“Reserve title”**. The library staff will pull the book and notify you that it is ready for pickup.
